HOW DO GROWTH GROUPS WORK?

Relationships matter so we take time each week to do life together. We hang out with people who are similar to us and want to grow spiritually. This is where we get connected with others heading in the same direction.

HOW LONG DO GROWTH GROUPS LAST?

Most of our groups last eight weeks with the occasional group wrapping up in as little as six and a few that elect to continue a little longer. Our groups meet weekly for about 90 minutes unless otherwise noted.

WHAT'S THE EASIEST WAY TO JOIN A GROWTH GROUP?

Go online to thrivechurch.cc and register for the group of your choice. Once you've signed up, the facilitator for your group will send you a confirmation within 48 hours. — IT'S THAT EASY!

IS THERE CHILDCARE IN GROWTH GROUPS?

Many groups have figured out a system for childcare and it will be noted in the listing if childcare is available, or if children are welcome.

WHAT IF I FORGET TO SIGN UP BEFORE IT CLOSES?

We have a few groups that are open all season, but if you want a specific group, sign up early to lock in your preferred choice.

IS THERE A COST?

It is free to join a Growth Group. There may be a nominal cost for materials depending on the group you join. Most listings will provide specifics on any costs you can expect.

WHAT IF I MISS A WEEK?

We know that everyone has to miss a week from time to time for various reasons. But, if you want to get the most out of your group, it helps to make it a priority. Just know there is no "group truancy officers" that will show up at your door and ask you awkward questions about why you missed group. If you're out for an extended time, we encourage you to contact your facilitator and to keep up with your groups progress.

find a growth group

Life is not meant to be lived alone. In fact, God hates loneliness. You were created to experience life with other people, and that's why at Thrive, we encourage you to get into a growth group.

A group includes 3 or more people who gather each week in a home, workplace or the church. In a group, you'll hang out, study the Word and pray together.

Groups come in all shapes and sizes — married couples, singles, men, women, kids, no kids, fitness, students, hobbies — the list goes on. No matter where you are in life, there's a group for you.
